

# diversity results

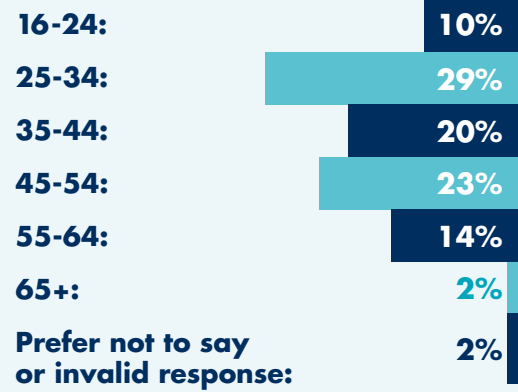

## 2021 report

Total of 205 staff completed the 2021 diversity survey – 58% of our workforce. Results are based on the number of staff that completed the survey and may not therefore be a true reflection of the entire workforce.

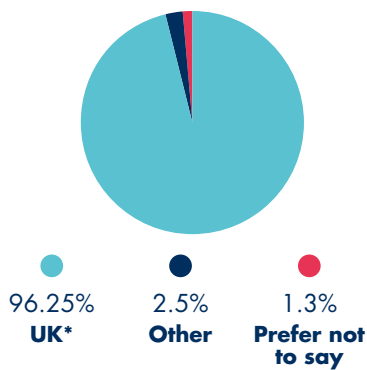

## The results

Age distribution of all staff, including partners

### Age groups:

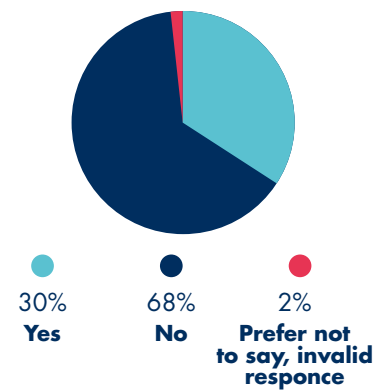

### Staff ethnicity origin breakdown

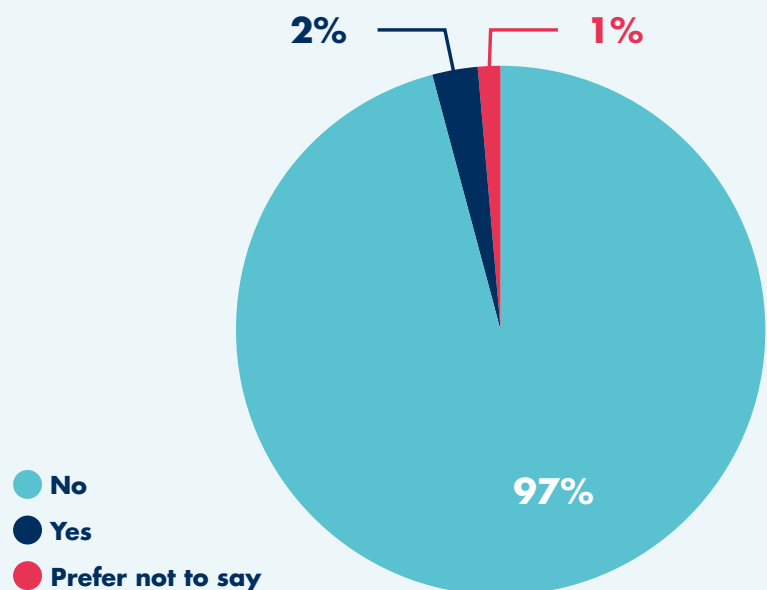

\*British, English, Welsh, Northern Irish and Scottish

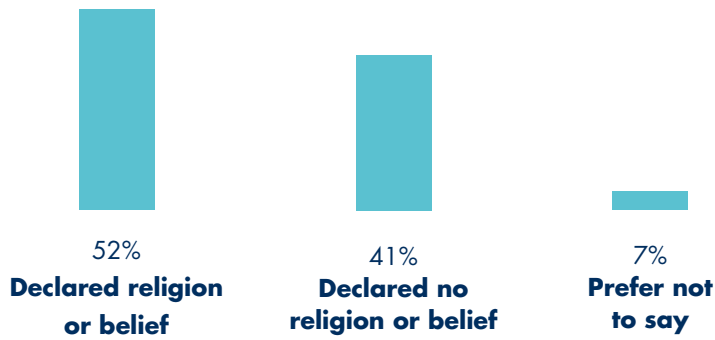

### Primary carer for a child under 18

Staff percentage with a disability in accordance with the definition in the Equality Act 2010

## Staff religions or beliefs

## Breakdown of type of schools attended between the ages 11 and 16
